**Request for Withdrawal under 37 C.F.R. § 1.36 as
Attorneys of Record**

Commissioner for Patents
Washington, DC 20231

Sir:

Under the provisions of 37 C.F.R. § 1.36, the undersigned, currently having the Power of Attorney in the above-referenced U.S. application, hereby request permission to withdraw as attorneys of record.

Basis for Withdrawal Request

The basis for the request for withdrawal is 37 C.F.R. § 10.40(c)(1)(iv). Specifically, the conduct of the Applicant (Apex Interactive, Inc.) has rendered it unreasonably difficult for Sterne, Kessler, Goldstein & Fox P.L.L.C. to carry out the employment effectively because Apex Interactive, Inc. has ceased operations and is no longer a viable business entity.

On April 26, 2002, Robert Greene Sterne and Donald J. Featherstone spoke with Mr. Adam Hartung (847-726-8465), a shareholder in Apex Interactive, Inc. According to Mr. Hartung, Apex Interactive, Inc. is no longer operating as a company. Based on our knowledge and belief, however, Apex Interactive has *not* filed for bankruptcy. According to the records kept by the Wisconsin Department of Financial Institutions, Apex Interactive, Inc. is "Delinquent,"

which means that it is "not current with annual report filings required by the Wisconsin Department of Financial Institutions" (see Exhibit A, page 1).¹

According to Mr. Hartung, the last constituted board meeting of Apex Interactive, Inc. took place on May 30, 2001. The three main stockholders in attendance were: Mr. Hartung, Mr. Joseph Wirtz and Mr. Daniel Brielmaier. Collectively, their shares represented 70-80% of the outstanding corporate shares. The shareholder meeting took place at 10437 Innovation Drive, #119, Wauwatosa, Wisconsin 53226.² The shareholders in attendance voted on new corporate officers and directors. The vote was performed as a "slate" with Mr. Joseph Wirtz as Chairman of the Board, and Mr. Russell Schoenke as President. The vote passed.

On April 26, 2002, Mr. Featherstone reached Mr. Joseph Wirtz on his cell phone (262-488-6520). Mr. Wirtz confirmed that he owned shares in Apex Interactive, Inc., but said he was not an officer or director of the company. When asked about the Apex patent applications, Mr. Wirtz said that, since Mr. Hartung created the relationship with our firm, we should talk with him. He said that he was not comfortable discussing the patents. He did not want to receive copies of any papers concerning the patents, including any papers that we would file with the USPTO regarding our withdrawal from representation as attorneys of record. He would not provide a mailing address.

Similarly, on April 26, 2002, Mr. Featherstone reached Mr. Russell Schoenke on his cell phone (414-801-1871). Mr. Schoenke indicated that he left the company in September 2001. He stated that he owns no shares of Apex Interactive, Inc., and is not an officer or director of the

¹ Also attached (as Exhibit B) is a business information report concerning Apex Interactive, Inc. supplied by Dunn & Bradstreet Continuous Monitoring Service. The history section of the report (see pages 6 and 7) indicates that the company was "Delinquent" as of January 1, 2002.

² According to the Wisconsin Department of Financial Institutions, the registered agent/office for the company is Mr. Joseph G. Wirtz, 10437 Innovation Drive, #119, Wauwatosa, Wisconsin 53226. However, according to Mr. Hartung, the company no longer occupies that address and was evicted by the landlord.

company. He said that he has no interest in the patents and does not want to receive any correspondence concerning them. He did not provide a forwarding address.

On April 26, 2002, the undersigned logged onto the internet and accessed www.apexinteractive.com. The website seemed to be functioning normally. A copy of a page from the website that indicates a "contact address" is attached as Exhibit C. This "contact address" is listed below as the Last Known Address of Applicant. Sterne, Kessler, Goldstein & Fox P.L.L.C. has attempted to use this address over the past several months for correspondence. However, correspondence has been marked "Return to Sender" (see Exhibit D).

In summary, based on discussions with Mr. Hartung and information received from the Wisconsin Department of Financial Institutions, the undersigned has concluded that Apex Interactive, Inc. is a non-functioning company with no employees, no customers, no office space and with a listed mailing address that results in returned mail. Sterne, Kessler, Goldstein & Fox P.L.L.C. has not received any correspondence in over a year from Apex Interactive, Inc. concerning their patent portfolio despite numerous attempts to obtain instruction. Moreover, correspondence mailed by Sterne, Kessler, Goldstein & Fox P.L.L.C. to Apex Interactive, Inc. has been returned to sender.

Another grounds for the requested withdrawal is the looming payment problem (37 C.F.R. § 10.40(c)(1)(vi)). Historically, this client has paid our firm in advance for authorized work. We also received a retainer from the client, which is being used to pay for the current work. However, that retainer will be depleted in the near future. Since the client is no longer a functioning business entity, it will be unable to replenish this retainer when exhausted. Thus, it is only a matter of time before this firm will no longer be paid for work done for this application.

Under the circumstances, Sterne, Kessler, Goldstein & Fox P.L.L.C. hereby requests withdrawal as attorneys of record in the captioned patent application. In accordance with 37 C.F.R. §§ 10.40 (c)(1)(iv) and (c)(1)(vi), the conduct of Apex Interactive, Inc. has rendered it unreasonably difficult for Sterne, Kessler, Goldstein & Fox P.L.L.C. to carry out the employment effectively.

Last Known Address of Applicant

The last known mailing address of Apex Interactive, Inc. is:

**P.O. Box 695
Germantown, WI 53022**

All future correspondence should be directed to this address. An appropriate Change of Address paper to this effect is being filed herewith.

Allowance of Time for Applicant to Act

The undersigned is unaware of any Office Action currently outstanding in the application. Thus, withdrawal by the undersigned would not prejudice or cause undue hardship to the Applicant.

Notification of Applicant

In accordance with 37 C.F.R. § 10.40(a), a copy of this request has been sent to Apex Interactive, Inc. at the address noted above.

Number of Copies of Request

This request is enclosed in triplicate (an original and two copies) to expedite the handling thereof.

Conclusion

For the foregoing reasons, it is respectfully requested that the undersigned, whose current address is provided below, be granted permission to withdraw as attorneys of record in the above-referenced matter.

Respectfully submitted,

STERNE, KESSLER, GOLDSTEIN & FOX P.L.L.C.

Status, Status Dates, and Transactions

"Status" means the entity's condition in relation to the statutory law under which it is formed or governed. Conditions are characteristics indicating, for example, that an entity has been formed and is in existence; that it is current with its annual report filing requirement; that it has been voluntarily or involuntarily dissolved, or that its name is reserved. *The CRIS status is **not** an assessment of the entity's financial condition, stability, or business practices.*

"Transaction" is a specific action or event, such as the filing of articles of incorporation or amendment, or revocation of certificate of authority.

A line entry on the Chronology page may represent a **transaction**, such as the filing of articles of incorporation or an amendment, or the establishment of a **status**, such as "DLQ – Delinquent," indicating an entity has not filed its required annual report. A single entry may have the character of **both** a transaction and a status. For example, an entry coded as "DIS" is both a transaction (the filing of articles of dissolution) and a status (reflecting the entity as dissolved).
